

This map displays the Halligan Reservoir and its contributing watersheds. The reservoir is shown in blue. The watersheds are color-coded: West (yellow), North (light blue), and East (light green). The map also shows the location of Halligan Inlet Point (red dot) and the town of Laramie. A scale bar indicates distances up to 20 miles. An inset map shows the reservoir's location within a larger regional context. A north arrow is present in the top right corner.

Legend:

- Haliigian Res
- Halligan Inlet Point
- Watersheds Contributing to Halligan
 - West
 - North
 - East Watershed
- StreamNet
- Flow over 10m
